Dear Friends

The dawns of summer every year marks the beginning of another promising year for us and end of glorious past one. Like each year this year also we will celebrate the **12th Foundation Day** with another grandiose programme with both academic nourishment and fun.

Masters from different fields of ophthalmology would be with us the whole day and evening long, to feed us with a platter including live surgeries, didactic lecture and panel discussion on interesting case scenarios. The event carries its colours onto the evening with entertainment mosaic of music, dance and comedy on stage.

So friends, come and explore the galore as we, team KVEH, would be eagerly waiting for your arrival and participation.
