

**Department of Ophthalmology
KIMS, Bhubaneswar**

Welcomes All

to

CME

**Multifocal IOL Technology in Cataract Surgery and
its benefits**

Under the aegis of Odisha State Ophthalmological Society

Date: 30-07-2022

Time : 1.30 pm-6.00pm

Venue : LT-3, KIMS, Bhubaneswar

Dear All,

On behalf of the Department of Ophthalmology, KIMS Bhubaneswar we cordially invite you to attend the CME on “Multifocal IOL Technology In Cataract Surgery and its benefits” at LT-3, KIMS Bhubaneswar on 30.7.2022 (Saturday).

This is a half day program which offers conglomeration of video and didactic skill transfer of the basics, and complicated cases with multifocal technology in cataract surgery. This is a great opportunity for sharing knowledge and learning the skills from eminent ophthalmologists of national repute. For all budding ophthalmologists who are eager to refresh and upgrade their expertise in cataract management this is an apt platform

Speakers of national repute Dr Sourabh Sanyal and Dr Praveen Subudhi shall be discussing innovations in techniques and difficulties in multifocal IOL implantation.

Thanking You.

Dr. Matuli Das

Organising Secretary
Associate Professor and Associate HOD
Department of Ophthalmology
KIMS, Bhubaneswar

Guest Faculties

Dr. Saurabh Sanyal

Director, Citizen Eye and Healthcare,
Kolkata.

Dr. Praveen Subudhi

Director, Ruby Eye Hospital,
Berhampur.
