VIDYA VANDATE AMRITAM: Ophthalmology Webinar Series on Ocular Trauma

Theme: Ocular Trauma in Different Subspecialties

Frequency: Last Friday of Every Month (JAN 2025 - OCT 2025)

Organized by: OSOS Scientific Society & Executive Board Members of OSOS

Total time- 75 mins

Objectives:

To enhance baseline learning in ocular trauma across various subspecialties.

To promote clinically relevant discussions for improved patient management.

To facilitate interaction between residents, fellows, consultants, and national/international experts.

Webinar Structure:

1. Welcome and Introduction (4 mins)

Moderator introduces panelists.

2. Case Presentations (24 mins total)

Resident Presentation (8 mins)

Fellow Case presentation (8mins)

Consultant Case Presentation (8 mins)

3. DISCUSSION AFTER EACH PRESENTATION - 11 MINS; total 33 mins

3. Audience Q&A Session (10 mins)

Open discussion moderated by the session chair.

5. Closing Remarks (4 mins)

Summary of key takeaways.

Acknowledgments and future session announcements.

Target Audience:

Ophthalmology Residents & Fellows

Practicing Ophthalmologists

Researchers in Ocular Trauma

Join us for a series of insightful discussions on ocular trauma and stay updated with the latest advancements in this crucial field!

🌟🌟🌟🌟**Dakshata II**🌟🌟🌟🌟

Today's surgical procedure offered valuable learning for Residents.

6 senior students were granted direct access inside the OT to observe the techniques and procedures firsthand.

A live display system was arranged for the remaining students, ensuring everyone could follow the surgery in real-time, providing comprehensive clinical exposure for all students through interactive learning.

March 19, 2025, 10:02

Date – 31st July 2025 Vision Support Initiative for Blind School Children- Burla; students taken to LVPEI RAJGANGPUR for LVA assessment

- Agenda: LOW VISION AIDS change the lifestyle of the visually challenged.
- There are some 124 such schools in Odisha
- After a lot of effort, with the help of Dr Debasmita Majhi, we could start working. Looking forward to much more.
- Thanks dear Dr Debasmita Majhi and the Director, LVPEI BBSR, Dr Srikant k Sahu.

Clinical Outcomes at LVPEI Rajgangpur:

- 6 out of 11 students were found suitable for telescopic aids to enhance vision.
- 1 student will benefit from a spectacle prism.
- 1 student has been advised to undergo cataract surgery.
